## Notes From The Director

WHO doesn't love Christmas?!? It's a time of magic, joy, wishes, hope, peace and so much more ... and it's what I look forward to all yearlong. When the idea was brought to me by our parent booster group—the Drama Llamas, I thought, "What?? A show just 4 weeks after our fall production?" But thanks to their encouragement we agreed to take it on! When I announced it to my student executive board, their excitement was even more reason to add the production to our crazy schedule.

Though it's been a whirlwind of hard work, glitter and foam board, it's been well worth it. Christmas has started sooner for all of us and with every rehearsal, as we added in dashes of red & green, the storybook set and the gorgeous costumes; the beloved children's book has come alive—even as we've included some of our own additions.

This is my 9th production and it's once again my honor to work with such an awesome group of talented kids. For some, this is also their 9th show and for others it's their first but definitely not their last! The process, as quick as it was, has been full of laughter and dedication.

The Grinch is simply fun and so incredibly memorable. We hope you, our audience, enjoy this classic as it unfolds on our stage. And, we hope you fall in love with Christmas all over again, remembering what it's really about.

Merry Grinchmas and Happy WHO Year!
